Proclaiming the Word of Faith unto Soteria

Hi Partners and Friends

We love and pray for you regularly. Jesus said He came to give us Life and that we might have it in abundance, excessively, beyond measure and superior in quality - John 10:10. Our desire is to be a blessing to you and speak words of life and love by the Spirit of God that will equip you to win in life.

We love you & God Bless

You can have what you say

- *So choose your words wisely.*

Let's look at a few scriptures from God's Word and then I have a testimony to share with you.

Deuteronomy 30:19 KJV

¹⁹I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live:

Proverbs 18:21 KJV

²¹Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.

Mark 11:23 KJV

²³For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.

Hebrews 11:3 AMP

³By faith we understand that the worlds [during the successive ages] were framed (fashioned, put in order, and equipped for their intended purpose) by the word of God, so that what we see was not made out of things which are visible.

A month ago or so I tried to lift, move or at least budge a very heavy object. I was using proper lifting techniques but while flexing my chest and squeezing it with my arms for added stability something in my rib cage moved - not normal. It didn't take long for some discomfort and pain to let me know something not so good had taken place.

A friend asked if I had broken my ribs and I told him I don't know but this I do know "I am healed by the stripes of Jesus."

God has set before us life and death, blessing or cursing and we will eat or enjoy the fruit or harvest of those word we speak. I choose to speak words of life and blessing and I find them by going to the Word of God and say what He says about me and my situations. You see we must believe what He says about us and then say what we believe (God's

Word) and we will have them. It works just as well in the negative - sad but true and most people are talking from this cursed death perspective and wondering why life just doesn't seem fair. If you don't like the way things are start changing what you believe and speaking in line with what you want.

So the Wednesday of the following week was a faith fight because there was more pain that day than before but I continued to fight the good fight of faith with my words saying that I was healed by the stripes of Jesus and that God is my great physician, the One who heals, fixes, repairs and mends me (Ex 15:26b). I talked to my ribs just like Jesus said to talk to the mountain. We are to imitate God our Father and Jesus gave us the example - He talked to the fever, sea, wind, fig tree, dead bodies, deaf ears and on and on in order to get the results God wanted. The next morning before work I opened my bible to Is 53 and read verse 5 NKJV *But He was wounded for our transgressions, He was bruised for our iniquities; The chastisement for our peace was upon Him, And by His stripes we are healed.* GOD'S WORD Translation reads "He was punished so that we could have peace." Jesus took our place and became our substitute and took our punishment so we could have peace. That is the Hebrew word Shalom which can be translated "nothing missing and nothing broken" - BAM - the Holy Spirit shined the light and gave me a Word from God - Nothing Broken because by Jesus stripes I am healed! I took that Word and talked to my ribs every time I thought about it and said "Thank you Lord nothing missing, nothing broken, ribs you are healed by the stripes of Jesus." Over and over, day after day and I got better and better quicker and quicker until I am now 99.9% and the other .1% is lining up with the Word too.

For us to frame, create, alter and change our world or life we must act like our Father in Heaven and speak the Word of God at or over that area in our lives. What we see in our life was not made out of things which are visible but by the words we believe and let come out of our mouths.

Let's choose our words wisely this year because they will produce a harvest in our future. Words of freedom, righteousness, health, strength, joy, wealth, peace, love, safety, blessing - God's Words about us and who we are In Christ.

Rev. 12:11 “And they overcame him (the devil) by the blood of the Lamb, and by the word of their testimony”

When people give a testimony, it is usually through their words given under oath in a court of law. You testify by a) giving evidence under oath b) serving as evidence or proof c) affirming publicly. The scripture above says the words people spoke helped them overcome the devil. These people had the blood of Jesus and the power of the words they spoke and they won! They overcame the devil! Well guess what? We too have the blood of Jesus and our words are just as powerful as the words God spoke when He created the world and all that is in it.

So make it a priority to spend time everyday speaking scriptures over yourself, your family, your calling, your inheritance in Christ Jesus. The Word of God is the highest form of truth there is. Everything must bow to the Word of God. Memorize verses so you can speak them to yourself throughout your day. Testify to yourself and build them up on the inside. Then when the devil comes knocking looking for an opportunity in your life you can say to him “No you can't do _____” and just testify the Word right back at him (you might have to yell cause he'll start running!). “Greater is He that is in me than he that is in the world. Yes I am healed by the stripes of Jesus. I have more than enough because my God always supplies all of my need according to His riches in glory by Christ Jesus. I never fail because love never fails.”

We believe what we say most of all, not what someone else says. Set aside a consistent time to speak God's Word over and over until it becomes a part of you. Our desire is that you experience the joy of victory by overcoming the devil!
