Jesus went about doing GOOD and healing - healing is good.

The law of Life is freedom, and he who has the Son has life. The law of life in the burden removing, yoke destroying power of Jesus has made us free from the law of sin and death - sickness, disease, poverty, lack, debt, etc.

The Sun of righteousness has arisen with healing in His wings (rays.) Just as the hot sun rises and burns off the fog so the healing rays of the Sun of Righteousness burns off sickness and disease. Light annihilates darkness - open the fridge door and the darkness flees, there is no struggle. The light of the Sun's healing rays shine in our bodies and penetrate every cell, nook and cranny and annihilates all disease, every sickness and every plague or affliction. Then as a calf excited about being outside leaps and enjoys his new freedom so likewise we BEFORE and after we feel better leap and rejoice because the Sun of Righteousness has arisen in our body with healing in His rays.

The very Life of God flows through our veins permeating, penetrating and saturating every cell in our body bringing healing, health, wholeness, life, vitality, strength, energy, flexibility, stamina, youthfulness, alertness, etc.

I pray these scriptures help you. I read them regularly to myself. I have an older bible that I have put post-it flags on every page where these verses are and flip from one flag to the next taking my gospel medicine. As brother Hagin and Betty Osteen, you may need to read these every day to maintain your healing and freedom - but that's not a problem.

We love you and expect the God's best
